

HEALTH AND SAFETY POLICY STATEMENT

The policy of the Managing Director of Burdess Engineering Ltd. is to achieve and maintain the highest standard of Health and Safety for employees, and to conduct the Company's' activities with appropriate safeguards against exposing clients, contractors, subcontractors, visitors and the general public to risk to their Health and Safety.

The Managing Director of Burdess Engineering Ltd. has overall responsibility for the implementation and enforcement of this policy and supporting Health and Safety procedures.

It is the policy of Burdess Engineering Ltd. to comply with the terms of the Health and Safety at work etc. Act 1974 and appropriate regulations and legislation, and to provide and maintain a health and safe working environment. All employees will be provided with such equipment, information, training and supervision as is necessary to implement the policy and achieve the stated objective.

Burdess Engineering Ltd. recognizes and accepts its duty to protect the Health and Safety of all clients and visitors to the Company, including contractors and temporary workers, as well as any members of the public who might be affected by their operations.

While the management of will do all that is within their power to ensure the Health and Safety of the employees, it is recognized that Health and Safety at work is the responsibility of each and every individual associated with the company. It is the duty of each employee to take reasonable care of their own and other people's welfare and to report any situation which may pose a threat to the well being of themselves and any other person.

The management of Burdess Engineering Ltd. will provide every employee with the training necessary to carry out their tasks safely.

This Health and Safety policy will be review on an annual basis and revised particularly when a change in operations occurs or when there is an amendment to the law.
